Sheryl, Jeff didn't get back to me on this. It's a PRR I received but don't know if this is an official appeal or not. I only received this.

3. Message : Once again, we oppose the following permit. SW1900REV00. Luckily since they have again expanded this to include all of North America, we now have other agencies to turn to at the federal level as well as relief in Federal Court. I would recommend you double check did all the requirement get fulfilled? (we know they did not even follow your rules as well as Federal Laws and rules) We also noticed we cannot appeal this online thus I am apposing here.
