**RE: Appeal Notice: Beverly Hills Dairy (A.K. Coral Cay Trust)  
Notice of Decision -- Permit Number NEV2006504**

Dear Mr. Ganta:

Please be advised that the above referenced appeal notice was mailed today to the nine (9) "appellants" that filed an appeal with the State Environmental Commission concerning the above referenced permit. For your convenience, I have attached an electronic copy of the information that was mailed to the nine appellants. You will also receive a "hard copy" of the notice.

You should also be aware the mailing (which is attached electronically) includes a copy of the "Rules of Practice before the State Environmental Commission" (NAC 445B.875). These Rules allow a person, other than a party to a proceeding (in this case the Beverly Hills Dairy), who believes that he may be directly and substantially affected by the proceeding may request an order to intervene in the appeal proceeding. In order to "intervene" a written petition for leave to intervene must be filed with the Commission.

It would be helpful to advise me in a timely manner about the intention of Beverly Hills Dairy to intervene in the above referenced appeal. If you have any questions I can be reached at (775) 687-9308

Sincerely

John B. Walker  
Executive Secretary
