Re: Appeal of Hollister Block Project Water Pollution Control Permit NEV2003107 renewal

Dear Mr. Walker,

Great Basin Resource Watch (GBRW) has reviewed the revised WPCP to be effective November 9, 2011. The changes made to the permit are of sufficient substance to GBRW in addressing our concerns that we formally withdraw our appeal of the October 4, 2011 NOD for the Gold Hill Project, WPCP NEV2010110.

Sincerely,

John Hadder, Executive Director
