8 NEVADA STATE ENVIRONMENTAL COMMISSION

9 In Re:

10 Appeal of Water Pollution Control  
Permit NEV0070005  
11 Permittee: Rockwood Lithium, Inc.

**Response to Additional Request for  
Extension of Time**

12  
13 By email on July 3, 2013, Appellants in this matter requested an additional  
14 extension of time for briefing and a rescheduling of the hearing in this matter.

15 Respondent/Intervener Rockwood Lithium, Inc. respectfully opposes any further  
16 extension of the schedule and/or continuing the July 12, 2013 hearing to a later date.

17 This appeal has been pending for more than a year. Appellants have been given ample  
18 time to comply with the Commission's scheduling orders and provide a legal or factual  
19 basis for the appeal. They have not done that. Motions to dismiss the appeal are  
20 pending before the Commission from both Rockwood Lithium, Inc. and the Nevada  
21 Division of Environmental Protection. The Commission should consider those motions  
22 and dismiss the appeal.
