Re: Request for Leave to Intervene; Reclamation Permit 286
TGC Holdings Ltd.; Moonlight Project, Pershing County, Nevada
Our File No. 90601.002

Dear Mr. Walker:

Our firm represents TGC Holdings Ltd., a Nevada corporation ("TGC"). TGC is the applicant for Reclamation Permit 286.

The Division of Environmental Protection delivered to TGC three Form #3 requests for an appeal in the names of Oma Dicus, Darlene Jackson and the Swain Revocable Living Trust, Ronald Bunte, successor trustee. These are requests for appeal of the Division of Environmental Protection approval of Reclamation Permit 286.

TGC requests leave to intervene in the appeal as a respondent. TGC believes that the Division of Environmental Protection properly approved Reclamation Permit 286 and that the appeals have no basis in fact or under applicable law.

As the applicant, TGC has an interest in the subject matter of the appeal and has legal standing to intervene. Please assure that copies of all correspondence and notices concerning the appeal are directed to TGC's representative, Charles Sulfrian, 2153 Gold Camp Road, Colorado Springs, Colorado 80906-5842, phone 719-634-2384, facsimile 719-634-6685, and to our office at the above address. Thank you very much.

Very truly yours,

Thomas P. Erwin
