Subject: Reid Gardner Landfill Appeal
Attachments: galpern_email_101811.pdf

Dan,

To recap where the appeal of the Reid Gardner permit issued by Southern Nevada Health District stands, you contacted the State Environmental Commission (SEC) on October 9, 2011, to inform us that the SNHD had issued the final permit in September and you were ready to move forward with your appeal.

We spoke on October 14, 2011 about scheduling the appeal. You were instructed to contact NV Energy and the Health District to see about their availability in January 2012 and to report back to the SEC about possible appeal dates. We will not schedule the appeal until we hear from you about those dates.

I noticed that in the e-mails you sent me (see attached PDF file), you did not copy either NV Energy or the Health District. I am forwarding your attached October 18 e-mail, which also contains the October 9, 2011 e-mail, to both parties. Please copy both Tom Woodworth at NV Energy and Dennis Campbell at the Southern Nevada Health District on all future correspondence to the SEC regarding this appeal. If these parties are represented by counsel, they will need to so notify the SEC and furnish the contact information to you as well.

John Walker
