RE: Appeal Mercury Operating Permit to Construct: Phase 2
AP1041-2690, FIN A0404, Plum Mining Company, LLC

Dear Sir:

On August 5, 2011 the State Environmental Commission (SEC) received a hand delivered letter from the Comstock Residents Association. The unsigned letter constitutes an appeal of the above mentioned permit that was issued on July 27, 2011 by the Nevada Division of Environmental Protection's, Bureau of Air Pollution Control (NDEP/BAPC).

In order to proceed with the appeal, I am requesting the name and phone number of a contact person from the Comstock Residents Association. In addition, if the association is to be represented by counsel in this appeal, which is not a requirement, could you please advise me accordingly.

For your information I am enclosing a copy of the State Environmental Commission's Rules of Practice.

Sincerely

John B. Walker
Executive Secretary
