Subject: February 16, 2012 Hearing Date Vacated
Refuse Inc. Appeal: Air Pollution Control Permit #AP4953-1148.01

On November 30, 2011, the Commission continued the hearing date for the above referenced appeal to February 16, 2012. The Commission has been informed that the parties are still working on modifying the permit which, if successful, could make the instant appeal moot. Therefore, the Commission is vacating the February 16, 2012 hearing date and will not reschedule a new date until requested in writing by the parties.
