Before The State Of Nevada, State Environmental Commission

In Re: Appeal of Permit No. LF006-CMF-01 Reid Gardner Station)))))	ORDER GRANTING PETITION TO INTERVENE
--	-----------------------	---

On November 6 and 8, 2010, the Western Environmental Law Center on behalf of the Sierra Club and Moapa Band of Paiutes filed an appeal of the October 28, 2010 decision by the Southern Nevada District Board of Health (SNDBH) approving NV Energy, Inc.'s application to modify and expand its Class III landfill at the Reid Gardner Station. On September 9, 2011, the Southern Nevada Health District issued Permit No. LF006-CMF-01 to NV Energy, Inc.

On November 9, 2010, NV Energy, Inc. filed a Petition for Leave to Intervene with the State Environmental Commission (SEC). As indicated in the Petition for Leave to Intervene, NV Energy, Inc. has a direct and substantial interest in the appeal because it is the named permittee of Permit No. LF006-CMF-01 being appealed by the parties above. NV Energy, Inc. will therefore be directly affected by a decision of the SEC.

Based upon the foregoing, it is hereby ordered that the Petition for Leave to Intervene filed by NV Energy, Inc. is GRANTED pursuant to NAC 445B.8915.

Dated this ____ day of November, 2011.

Alan Coyner, Vice Chairman
State of Nevada, State Environmental Commission
