7 On November 4, 2011, the State Environmental Commission (SEC) issued its notice of
8 hearing for the above-referenced appeal. The appeal hearing was scheduled to begin on
9 January 31, 2012 and continue through February 2, 2012, if warranted. Then on November 8,
10 2011, Appellants Sierra Club and Moapa Band of Paiutes filed an Unopposed Petition for a
11 Declaratory Order requesting an order that the SEC had jurisdiction to hear and decide the
12 appeal. The next regularly scheduled SEC meeting is February 15, 2012, at which time the
13 SEC will hear Appellants' petition. Therefore, the January 31 to February 2, 2012 hearing
14 dates are VACATED. Appellants are directed to confer with NV Energy and the Southern
15 Nevada Health District to select potential appeal hearing dates at the end of February or
16 March 2012 and submit the dates to the SEC by December 2, 2011.

17 Dated this 14 day of November, 2011.
