**NEVADA STATE ENVIRONMENTAL COMMISSION  
FIELD TRIP ITINERARY  
FOR LAS VEGAS BAY AND OTHER POINTS OF INTEREST**

The Nevada State Environmental Commission will be conducting a **field trip on Tuesday June 16, 1998** prior to the regulatory hearing scheduled for 9:00 am on Wednesday, June 17, 1998. The purpose of the Field Trip is to allow the Commissioners to view the Las Vegas Wash, Las Vegas Bay and Lake Mead. **No deliberation or action will take place during this field trip.**

The Environmental Commission will be conducting a tour of the water quality monitoring points related to Lake Mead and the Las Vegas Bay. The Commission will arrive at the Las Vegas Bay Marina at approximately 9:30 - 10:00 am. The field trip will begin with a tour of the inner portions of the Las Vegas Bay. The Commission will then return to the Marina.

The Commission will then proceed to Las Vegas Valley Water District facility near Saddle Island for a tour of the water syphon and related treatment facilities.

After the tour of the water treatment facility the Commission will proceed by vehicle caravan to points along the Las Vegas Wash, including the Northshore Road Bridge, and other wastewater discharge points along the Wash.

The Commission will end its field trip in the early afternoon with a brief tour of the City of Las Vegas Water Pollution Control Facility located at 6005 East Vegas Valley Drive.

The public is invited to participate in the tour. Members of the public are responsible for providing their own transportation, including any watercraft needed on Lake Mead. The Las Vegas Marina has a concession for boat rentals. Members of the public must provide their own vehicles but may caravan with the Commission to the various points of interest on the tour. The public must provide their own water and meals. Services for refreshments are also available at the Las Vegas Marina. Members of the public wanting to participate in the field trip should contact the Executive Secretary of the Environmental Commission at 702-687-4670 extension 3118 no later than Friday afternoon, June 12, 1998.

**IMPORTANT:**

**Windy conditions may prevail on the lake. Field trip participants should come prepared with sun screen, hats or scarves and proper rubber-soled foot wear.**

Persons with disabilities who require special accommodations or assistance for the field trip are requested to notify David Cowperthwaite, Executive Secretary in writing at the Nevada State Environmental Commission, 333 West Nye Lane, Room 104, Carson City, Nevada, 89706-0851 or by calling (702) 687-4670 no later than 5:00 p.m., June 12, 1998.
