**PROPOSED REGULATION OF THE STATE ENVIRONMENTAL
COMMISSION
LCB File No. R080-08**

NAC 519A.185 Provision of notice of intent to issue draft of permit or to deny application is hereby amended to read as follows:

1. Except as otherwise provided in subsection 3, the Division shall, at least 30 days before the issuance of a draft permit or a notice of intent to deny the application for a permit for an exploration project or mining operation to be conducted on privately owned land:

- (a) Circulate a public notice of the intent to issue a draft permit or deny the application in a manner intended to inform interested persons;
- (b) Cause to be published in a newspaper of general circulation within the geographic area of a proposed exploration project or mining operation, a notice of the intent to issue the permit or deny the application; and
- (c) Mail to the operator, landowner of record who is identified by the applicant in the application, members of the board of county commissioners of the county in which the project or operation is to be located, Division of Minerals of the Commission on Mineral Resources and any other person or group who so requests, written notice of the intent to issue a draft permit or deny the application.

2. Notice given pursuant to subsection 1 must include:

- (a) The name, address and telephone number of the Division;
- (b) The name and address of the operator;
- (c) The location of the proposed project or operation;
- (d) The tentative decision of the Division to issue a draft permit or deny the application for a permit;
- (e) A description of the procedure which the Division will use to make a final decision to issue or deny the permit;
- (f) The location where interested persons may obtain further information or inspect and copy the draft of the permit and other relevant forms and documents; and
- (g) A statement that interested persons must submit to the Division written comments and information on the tentative decision of the Division within 30 days after the date on which the notice is published.

3. An application for a permit which has been submitted pursuant to NAC 519A.150 or 519A.155 is not subject to the notice requirements of NAC 519A.185 to 519A.210, inclusive.

NAC 519A.275 Requirements for productive postmining use of land is hereby amended to read as follows:

1. A productive postmining use of the land required to be submitted with a plan for reclamation need not provide a use of the land and degree of productivity which is identical with the use of the land before the mining began or the use of the adjacent land or the degree of use.

2. Land which is returned to its pre-mining use or reclaimed after mining or exploration to a level of productivity which is generally consistent with the pre-mining level of productivity or the level of productivity of the surrounding land shall be deemed to be a productive postmining use.
3. Land which is reclaimed to a degree of productivity which is less productive than its premining use shall be deemed to be productive if the operator takes reasonable measures, including, but not limited to:
 - (a) Ensuring adequate fertilization of the soil;
 - (b) Ensuring the quantity and quality of the topsoil or growth medium; and
 - (c) Establishing a productive postmining use of the land within site-specific economic and technical constraints of the area.
4. Land subject to excessive erosion will not be deemed to be reclaimed to a productive postmining use unless excessive erosion existed before mining or exists on the adjacent land. Evidence of the excessive erosion must be provided by the operator to the Division.
5. If the operator is not the owner of the surface of the affected lands, the Division shall consider any comments received from the landowner pursuant to NAC 519A.190 and 519A.205 in making the final determination that the proposed plan for reclamation adequately provides for a productive postmining use of the land.

NAC 519A.280 Approval required of proposed postmining use of land is hereby amended to read as follows:

Notwithstanding any other provisions of NAC 519A.010 to 519A.415, inclusive, a proposed postmining use of the land must be approved by the federal land manager on land subject to the jurisdiction of the Bureau of Land Management, the United States Forest Service or another federal land management agency.

NAC 519A.350 General requirements is hereby amended to read as follows:

1. An operator shall file a surety with the Division or a federal land management agency, as applicable, to ensure that reclamation will be completed on privately owned and federal land. The surety may be:
 - (a) A trust fund;
 - (b) A bond;
 - (c) An irrevocable letter of credit;
 - (d) Insurance;
 - (e) A corporate guarantee; or
 - (f) Any combination thereof.
2. If the surety is a trust fund:
 - (a) The operator shall make periodic payments to the trust fund at least annually for the term of the exploration project or mining operation.
 - (b) The initial payment to the trust must be:
 - (1) For a new exploration project or mining operation, made before the land is affected.
 - (2) For an exploration project or mining operation which is active on October 1, 1990, made within 60 days after the operator receives a permit from the Division.
 - (c) The balance of the trust fund must be sufficient at all times to satisfy the requirements of NAC 519A.360.

3. If the surety is the bond of a corporation:
 - (a) It must state that the operator shall faithfully perform all requirements of the permit issued by the Division.
 - (b) The corporation must be licensed to do business in the State of Nevada.
4. The operator may provide evidence of a surety provided by the program for the pooling of reclamation performance bonds developed by the Division of Minerals of the Commission on Mineral Resources pursuant to NRS 519A.290.
5. If the surety is an irrevocable letter of credit, the letter of credit must:
 - (a) Be executed and issued by a bank authorized and doing business in the State of Nevada or a correspondent bank which is authorized to do business in the State of Nevada.
 - (b) Be made at the request of the operator.
 - (c) State that the issuing bank will honor drafts for payment upon compliance with the terms of the credit.
 - (d) Be irrevocable and issued for at least 1 year.The operator shall notify the Division at least 60 days before the expiration of the letter of credit. The notice must state whether it will be renewed or replaced with another form of surety.
6. If the surety is insurance:
 - (a) The operator shall submit to the Division a certified financial statement for the financial warrantor's most recent fiscal year and a certification by an independent auditor that, as of the close of the year, the financial warrantor meets the requirements of this subsection. The financial statement must set forth all nonrecurring items which affect net income.
 - (b) The net worth of the financial warrantor must be at least:
 - (1) Ten million dollars; and
 - (2) Twice the amount of all financial warranties.
 - (c) The tangible fixed assets of the financial warrantor in the United States must be worth at least \$20,000,000.
 - (d) The ratio of the liabilities to the net worth of the financial warrantor must not be more than 2 to 1.
 - (e) The net income, excluding nonrecurring items, of the financial warrantor must be positive.
 - (f) The financial warrantor must be authorized to conduct the business of insurance in the State of Nevada.
7. If the surety is a corporate guarantee:
 - (a) Not more than 75 percent of the required surety may be satisfied by the corporate guarantee, which is subject to periodic review and approval by the Administrator of the Division. The remaining portion of the surety must be satisfied by a surety identified in this section.
 - (b) The audited financial statements of the corporation must indicate that the corporation has two of the following three ratios:
 - (1) A ratio of total liabilities to stockholder's equity less than 2 to 1.
 - (2) A ratio of the sum of net income plus depreciation, depletion and amortization to total liabilities greater than 0.1 to 1.
 - (3) A ratio of current assets to current liabilities greater than 1.5 to 1.
 - (c) The net working capital and tangible net worth each must equal or exceed the amount established for reclamation pursuant to NAC 519A.360.

(d) The tangible net worth must be at least \$10,000,000.

(e) Ninety percent of the assets of the corporation must be:

(1) Located in the United States; or

(2) At least six times the amount established pursuant to NAC 519A.360.

8. Any financial information submitted to the Division pursuant to this section must be prepared in accordance with accounting principles that are generally accepted in the United States.
