RE: Notice of Alleged Air Quality Violation and Order No. 2640
Class II Air Quality Operating Permit AP2047-3612 (FIN A1805)

Dear Mr. Erickson:

On February 26, 2018, the Nevada Division of Environmental Protection (NDEP) held an enforcement conference with Clean Dried Processing, Inc. to discuss supporting information regarding the draft Notice of Alleged Violation and Order (NOAV) No. 2640. As a result of that meeting, NDEP formally issued the above NOAV. See attachment.

NDEP sent NOAV No. 2640 via certified mail on March 23, 2018, notifying Clean Dried Processing, Inc. of its appeal rights pursuant to NRS 445B.340 and NRS 445B.360. Clean Dried Processing, Inc. did not appeal the NOAV. Therefore, the State Environmental Commission (SEC) will determine the appropriate penalty for the violations contained in the above referenced NOAV on **Wednesday, May 23, 2018 at 9:00 a.m. at the Nevada Legislative Building, Room 2135, located at 401 south Carson Street.**

Pursuant to NRS 445B.640(1), the SEC may approve an administrative penalty of not more than \$10,000 per day per violation. During the May 23 meeting, NDEP will provide the SEC with a brief overview of the NOAVs and the recommendation for a total administrative penalty of \$11,902.50. This recommended penalty was calculated using a penalty matrix previously approved by the SEC.

Although your presence is not required at this meeting, you or a representative may wish to attend to speak on behalf of Clean Dried Processing, Inc.

The SEC may, without further notice, take administrative action against Clean Dried Processing, Inc. if the SEC determines that such administrative action is warranted after it considers NOAV No. 2640.

If you have any questions regarding this notice, please contact me at (775) 687-9374.

Sincerely,

Valerie King, CPM
Executive Secretary
