RE: Notice of Alleged Air Quality Violation and Order Nos. 2619, 2620, 2621,  
2622 & 2623  
Class II Air Quality Operating Permit AP1611-3748 (FIN A1969)

Dear Mr. Matthews:

On July 11, 2017, the Nevada Division of Environmental Protection (NDEP) held an enforcement conference with Tahoe Western Asphalt, LLC (TWA) to discuss supporting information regarding the draft Notice of Alleged Violation and Order (NOAV) Nos. 2619, 2620, 2621, 2622 & 2623. As a result of that meeting, NDEP formally issued the above NOAVs. See attachment.

NDEP sent NOAV Nos. 2619, 2620, 2621, 2622 & 2623 via certified mail on July 19, 2017, notifying TWA of its appeal rights pursuant to NRS 445B.340 and NRS 445B.360. TWA did not appeal the NOAVs. Therefore, the State Environmental Commission (SEC) will determine the appropriate penalty for the violations contained in the above referenced NOAVs on **Wednesday, September 13, 2017 at 10:00 a.m. at the Nevada Legislative Building, Room 4100, located at 401 south Carson Street.**

Pursuant to NRS 445B.640(1), the SEC may approve an administrative penalty of not more than \$10,000 per day per violation. During the September 13 meeting, NDEP will provide the SEC with a brief overview of each NOAV and the recommendation for a total administrative penalty of \$33,045.00. This penalty includes the following individual recommendations:

NOAV 2619 - \$2,520  
NOAV 2620 - \$6,600  
NOAV 2621 - \$6,450  
NOAV 2622 - \$10,875  
NOAV 2623 - \$6,600

The recommended penalties were calculated using a penalty matrix previously approved by the SEC.

Although your presence is not required at this meeting, you or a representative may wish to attend to speak on behalf of TWA.

The SEC may, without further notice, take administrative action against TWA if the SEC determines that such administrative action is warranted after it considers NOAV Nos. 2619, 2620, 2621, 2622 & 2623.

If you have any questions regarding this notice, please contact me at (775) 687-9374.

Sincerely,

Valerie King, CPM  
Executive Secretary
