**RE: Notice of Alleged Air Quality Violation and Order No. 2484**  
**Class II Air Quality Operating Permit AP5171-2546 (FIN A0573)**

Dear Mr. O'Keefe:

On March 26, 2014, the Nevada Division of Environmental Protection (NDEP) held an enforcement conference with Golden Gate/S.E.T. Petroleum Partners of Nevada (Golden Gate) to discuss supporting information regarding the draft Notice of Alleged Violation and Order (NOAV) No. 2484. As a result of that meeting, NDEP formally issued NOAV No. 2484; see attached.

NDEP sent NOAV No. 2484 via certified mail on April 3, 2014, notifying Golden Gate of its appeal rights pursuant to NRS 445B.340 and NRS 445B.360. Golden Gate did not appeal the NOAV. Therefore, the State Environmental Commission (SEC) will determine the appropriate penalty for the violation contained in the above referenced NOAV on **Wednesday, October 8, 2014 at 9:00 a.m.** in the Bryan Building in Carson City, Nevada (901 S. Stewart Street, 2nd Floor Tahoe Room).

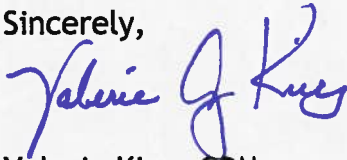

Pursuant to NRS 445B.640(1), the SEC may approve an administrative penalty of not more than \$10,000 per day per violation. During the October 8 meeting, NDEP will provide the SEC with a brief overview of the NOAV and its recommendation for an administrative penalty of \$1,200.00. This recommended penalty was calculated using a penalty matrix previously approved by the SEC.

Although your presence is not required at this meeting, you or a representative may wish to attend to speak on behalf of Golden Gate.

The SEC may, without further notice, take administrative action against Golden Gate if the SEC determines that such administrative action is warranted after it considers NOAV 2484.

If you have any questions regarding this notice, please contact me at (775) 687-9374.

Sincerely,

Valerie King, CPM  
Executive Secretary
