On June 10th 2005 the State Environmental Commission (SEC) ratified the list of penalties show below. These penalties were assessed by the Division of Environmental Protection, Bureau of Air Pollution Control. The penalties are for major air quality fines in excess of \$500.00.

I am requesting that you alert your staff to watch for these checks; the checks must be sent to the SEC staff, and please do not mark them with the NDEP deposit stamp.

The SEC will endorse the checks and forward them to the school district where the violation occurred. Please contact me if you have questions about this process – Thanks Karen.
