RE: P2011-03: Petition to Limit Fossil Fuel Carbon Dioxide Emissions,
Submitted By Kids vs Global Warming

Frances Barron
State Board of Health
Las Vegas, NV

Dear Mr. Alec Loorz & Ms. Victoria Loorz:

Jason King
State Engineer
Division of Water Resources

On May 5th the State Environmental Commission (SEC) received the above referenced "regulatory petition" from Kids vs Global Warming. The petition was properly filed under the authority of NAC 445B.866 on SEC form 1.

Kathryn Landreth
Reno, NV

This "public petition" requests the SEC to initiate rulemaking to limit fossil fuel carbon dioxide emissions in Nevada through application of an emissions reduction strategy that would achieve atmospheric concentrations of carbon dioxide no greater than 350 parts per billion (ppb) by the year 2100.

Jim Barbee
Director, Department of
Agriculture

Kenneth Mayer - Director
Department of Wildlife

The SEC will consider the above referenced petition at the SEC's next regularly scheduled hearing, which will be held on June 16, 2011 at 9:30 am at the Nevada Department of Wildlife's Conference Room A, 1100 Valley Road, Reno, Nevada. A representative from Kids vs. Global Warming will be given the opportunity at the hearing to provide oral testimony in order to summarize the contents of the petition. Please note the members of the SEC will be given a copy of the petition at least two weeks in advance of the hearing.

Tom Porta
Reno, NV

Mark Turner

COUNSEL
Rose Marie Reynolds

While your presence is not required at the June 16 hearing, you or a representative from Kids vs Global Warming is welcome to attend and address the SEC.

STAFF
John B. Walker
Executive Secretary

After considering the referenced petition, the SEC can either deny the petition in writing, stating its reasons, or initiate regulation-making proceedings in accordance with NRS 445B.215.

If you have any questions regarding this letter, please contact me at (775) 687-9308.

Sincerely,

John B. Walker
Executive Secretary
