Petition R123-11: This proposed permanent regulation amends NAC 444.748. The regulation simply clarifies the jurisdictional responsibilities associated with appeals concerning the management and disposition of solid waste by Nevada's three Solid Waste Management Authorities. The regulation makes clear that only those appeals involving the management of solid waste, which are under the direct regulatory control of the Nevada Division of Environmental Protection (NDEP), must conform to the procedural rules of the State Environmental Commission (SEC) as codified under NAC 445B.875.
