Classification Proposed Adopted By Agency Temporary Emergency Permanent

Permanent Regulation R130-09: Changes to Motor Vehicle Emission Program: This regulation aligns the motor vehicle inspection and maintenance (I/M) program with recent changes made in statute (Assembly Bill 414) during the 2009 Nevada Legislative session. These changes affect the smog check programs in Washoe and Clark Counties. The regulation addresses three types of vehicles subject to the annual registration-enforced emissions control program: heavy-duty diesel-powered vehicles, trimobiles and reconstructed vehicles.
