**Regulation 191-08: Reporting Requirements for Excess Air Emissions & Clarification of Procedures for Renewal of Permits:** This regulation amends NAC 445B. The regulation updates the reporting requirements for excess emissions and scheduled repairs as well as clarifies the procedures for renewal of air pollution control permits. In general, the regulation updates and clarifies the permitting regulations to eliminate ambiguity and make them more sensible. This regulation will not have an immediate or long-term adverse economic impact on the public or the business community. There is no additional cost to the Nevada Division of Environmental Protection for enforcement of the proposed regulation and the regulation does not overlap, duplicate or conflict with any regulations of other government agencies. The regulation does not address fees. (SEC Reference P2008-16)
