Re: Regulation R194-08: Public Water Systems

Dear Ms. Corp:

Enclosed for "re-drafting" by the LCB Legal Division is a revised proposed permanent regulation that would amend NAC 445A. We transmitted the first draft of the regulations to LCB on June 27, 2008.

Among other items, this revised proposed regulation responds to US EPA requirements to insure Nevada retains primacy over safe drinking water.

Please note we are planning to present this regulation to the State Environmental Commission on October 6th 2009. Additional information about the regulation is posted on the SEC website at:
http://www.sec.nv.gov/main/hearing_100609.htm

If you have any questions about this regulation please contact Ms. Andrea Seifert (687-9526) or Ms. Jennifer Carr (687-6515).

Sincerely,

John B Walker
