**Re Regulation R142-07: Greenhouse Gas Reporting, Minor Violation
Fine Increase and Permitting Corrections/Clarifications**

Dear Ms. Corp:

Enclosed for "drafting" by the LCB Legal Division is a proposed permanent regulation that will amend NAC 445B.001 to 445B.3497 of the State "Air Pollution" regulations.

Please note that we originally sent this regulation to you on September 26, 2007. The regulation was, however, pulled for the SEC's December 04, 2007 agenda. We have subsequently revised the regulation to reflect response to stakeholder comments (e.g., insertion of the California Climate Action Registry) and certain corrections to the LCB draft of the initial regulation. Revision made to the original draft and now incorporated into this revised agency draft are located in the following sections; the changes are color coded:

Section 1
Section 3
Section 6
Section 7 (new section)
Section 8 [old 7]
Section 9 (new section)
Section 10 [old 8]
Section 12 [old 10]
Section 20(7) [old18]
Section 21(9) [old 19]
Section 22(3) [old 20]
Section 23(6) [old21]
Section 24(3) & (4) [old 22]

If you have any questions about this regulation please contact Ms. Adele Malone at 687-9356.

Sincerely,

John B Walker

John B. Walker
Executive Secretary
