**Re: Regulation P2008-09: Adopt by Reference Air Pollution / Air
Quality Regulations**

Dear Ms. Corp:

Tony Lesperance, Director
Department of
Agriculture

Enclosed for "drafting" by the LCB Legal Division is a proposed permanent regulation that would amend NAC 445B.221. The Division of Environmental Protection (NDEP) is proposing to adopt into State regulation sections of the federal New Source Performance Standards (NSPS) and National Emission Standards for Hazardous Air Pollutants (NESHAP) rules that have been adopted by the U.S. Environmental Protection Agency (EPA) and published in the Federal Register.

Eugene Gans
Las Vegas, NV

This proposed regulatory amendment is necessary so that Nevada can request delegation for the implementation of new and revised federal NSPS and NESHAP rules promulgated after July 1, 2007. This will allow the regulated industry to continue to work with the State as opposed to USEPA.

Kenneth Mayer - Director
Department of Wildlife

If you have any questions about this regulation please contact MS. Adele Malone at 687-9356.
