**Re: Regulation P2008-14: Adopt by Reference Changes to the Federal
Hazardous Waste Regulations**

Dear Ms. Corp:

Enclosed for "drafting" by the LCB Legal Division is a proposed permanent regulation that would amend NAC 444. The proposed regulation would adopt by reference changes to the federal hazardous waste regulations through July 1, 2008.

Proposed changes include the revision to an existing exclusion from the definition of solid waste (and thus from regulation as hazardous waste) for recycled oil bearing hazardous secondary materials and clarifications to previously approved air pollution regulations.

If you have any questions about this regulation please contact Mr. Jim Trent at 687-9478.

Sincerely,

John B Walker
