Drinking Water State Revolving Fund (DWSRF) LCB File No. R128-04

The 2003 Nevada State Legislature transferred the Drinking Water State Revolving Fund (DWSRF) from the State Health Division to the Division of Environmental Protection (NDEP). This regulation addresses regulatory changes to reflect administration of the program by the NDEP. The regulation also includes minor changes that streamline administration of the program.

1. A description of how public comment was solicited, a summary of public response, and an explanation how other interested persons may obtain a copy of the summary.

The Nevada Division of Environmental Protection, Bureau of Water Pollution Control held public hearings at the following locations to solicit comments from interested parties about the proposed changes in the regulations referenced above.

Carson City	Las Vegas	Elko
Tuesday, June 10, 2004 10:00 AM - 12:00 Noon Room 101 333 West Nye Lane	Tuesday, June 7, 2004 1:00 PM – 3:00 PM 1771 E Flamingo Rd Suite 121-A Las Vegas NV 89119	Thursday, June 3, 2004 9:00 AM – 11:00 AM 720 Court St Elko NV 89801

Proposed changes to these regulations were also noticed by the State Environmental Commission (SEC) in the Las Vegas Review Journal (LVRJ) and Reno Gazette Journal (RGJ) newspapers on the following dates – November 8, 15, and 22, 2004. The public was subsequently mailed a public notice and meeting agenda for the SEC hearing; the SEC mailing lists were used for both mailings.

At the SEC hearing, there were no public oral comments received by the Commission during the adoption of the referenced regulation.

2. The number persons who:

- (a) **Attended August 19, 2004 hearing;** 30
- (b) **Testified on this Petition at the hearing:** 1
- (c) **Submitted to the agency written comments:** None

3. A description of how comment was solicited from affected businesses, a summary of their response, and an explanation how other interested persons may obtain a copy of the summary.

Comments were solicited from affected businesses by the notice in the newspapers, as outlined in #1 above and by direct mail to interested persons subscribing to the SEC electronic mailing lists. The public notice for the referenced SEC meeting was also sent to county libraries throughout the state and the proposed regulation was made available for public inspection in libraries in Clark and Washoe Counties, at the State Library in Carson City, and at the offices of the Nevada Division of Environmental Protection in Carson City and Las Vegas. The regulation, public notice and meeting agenda were also made available on SEC Website at: <http://www.sec.nv.gov/main/hearing113004.htm>

4. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.

The State Environmental Commission adopted the regulation on November 30, 2004; the SEC adopted the regulation without any changes.

5. The estimated economic effect of the adopted regulation on the business, which it is to regulate, and on the public.

This regulation will not have an immediate or long-term adverse effect on business or the public. The proposed changes may well result in some minor cost savings to business and the public through streamlining the loan application process.

6. The estimated cost to the agency for enforcement of the adopted regulation.

There will be no additional cost to the agency for enforcement of this regulation.

7. A description of any regulations of other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.

This regulation does not overlap or duplicate any regulations of other state,

federal, or local agencies.

8. If the regulation includes provisions which are more stringent than a federal regulation, which regulates the same activity, a summary of such provisions.

The regulation is no more stringent than what is established by federal law.

9. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

This regulation does not increase fees.
