Re: R130-09: Changes to Motor Vehicle Emission Program

Dear Ms. Corp:

Tony Lesperance
Director, Department of
Agriculture

Attached is a permanent regulation referenced above that was adopted by the State Environmental Commission (SEC) on December 9th 2009. Also attached is the filing statement required by NRS 233B.066 and the SEC form for filing administrative regulations with the Secretary of State.

Eugene Gans
Las Vegas, NV

This regulation aligns the motor vehicle inspection and maintenance (I/M) program with recent changes made in statute (Assembly Bill 414) during the 2009 Nevada Legislative session. These changes affect the smog check programs in Washoe and Clark Counties. The regulation addresses three types of vehicles subject to the annual registration-enforced emissions control program: heavy-duty diesel-powered vehicles, trimobiles and reconstructed vehicles. More information about this regulation such as workshop notices and related background information is available on the SEC website at: http://sec.nv.gov/main/hearing_1209.htm

Kenneth Mayer - Director
Department of Wildlife

The contact person for this regulation is Ms. Adele Malone at 687-9356. If you have any questions about these documents please contact me at 687-9308.
