**Re: State Environmental Commission -- Petition #2007-05: Notification of
Release of Hazardous Substances**

Dear Ms. Corp:

Donna Rise, Director
Department of
Agriculture

Enclosed for "drafting" by the LCB Legal Division is a proposed permanent regulation that amends NAC 445A.345 to 445A.348.

Eugene Gans
Las Vegas, NV

The regulation would amend the Division of Environmental Protection's (NDEPs) existing reporting requirements for the release of hazardous substances or petroleum products in excess of reportable quantities.

Kenneth Mayer - Director
Department of Wildlife

The proposed regulation makes a number of changes and clarifications to the existing regulations. To help clarify these changes for the drafting attorney at LCB, I have attached SEC Form 1. This form provides a detailed explanation of the regulation.

Ira Rackley
Las Vegas, NV

The point of contact at NDEP for this regulation is Mr. Scott Smale, Bureau of Corrective Actions (687-9384).

Tracy Taylor
State Engineer
Division of Water Resources
