Resources

**Re: State Environmental Commission - Regulation R019-07: Mercury Storage**

MEMBERS

Dear Ms. Corp:

Pete Anderson  
State Forester  
Division of Forestry

This letter confirms the State Environmental Commission's (SEC) intent to adopt the above mentioned permanent regulation at the Commission's forthcoming September 7<sup>th</sup> regulatory hearing. **The regulation is posted on LCB's website at:** <http://www.leg.state.nv.us/Register/2007Register/R019-07I.pdf>

Donna Rise, Director  
Department of  
Agriculture

This regulation was originally adopted by the SEC as a temporary regulation in September 2006. Following this action, the 2007 session of the Nevada Legislature enacted Senate Bill 118 directing the SEC to permanently adopt a regulation for the handling and storage of mercury, when present in a quantity of 200,000 pounds (100 tons) or more. This is the identical threshold quantity defined in the temporary regulation; hence, the temporary regulation and the proposed permanent regulation are indistinguishable. The regulation will amend the Chemical Accident Prevention Program (CAPP) regulations NAC 459.9533.

Eugene Gans  
Las Vegas, NV

Additional supporting information for this regulation is available on the SEC website at the following address: [http://www.sec.nv.gov/main/hearing\\_0907.htm](http://www.sec.nv.gov/main/hearing_0907.htm)

Kenneth Mayer - Director  
Department of Wildlife

The point of contact at NDEP for the regulation is Mr. Mark Zusy, Bureau of Air Pollution Control (687-9479).

Ira Rackley  
Las Vegas, NV

Sincerely,

Tracy Taylor  
State Engineer  
Division of Water Resources
