Re: Regulation P2011-06: Proposed Regulation for Implementing [SB417](#)
Concerning Municipal Recycling at Apartment & Condominiums
Dear Ms. Corp:

Enclosed for "drafting" by the LCB Legal Division is a proposed permanent regulation that would implement the requirements of SB417. This new legislation requires the State Environmental Commission (SEC) to adopt regulations setting minimum standards for collection of recyclable material at apartment and condominium buildings.

If you have any questions about this regulation please contact Mr. Eric Noack at 687-9366.

Sincerely,

John B. Walker
