Revision to Fee Structure for Permit Modification & Definition of Minor
Modification

Legislative Review Of Adopted Regulations As Required
By Administrative Procedures Act, NRS 233B.066
Petition 2005-01 (Temporary Regulation)
State Environmental Commission (SEC)

This is a temporary regulation proposed by the Bureau of Mining Regulation and Reclamation of the Nevada Division of Environmental Protection. The proposed temporary regulation provides for changes to the NAC 519A mining reclamation regulations. Under the proposed regulation, changes include a revision to the current fee structure for a permit modification and definition of minor modification. The proposed revision also defines a major modification. The revision to the current fee structure will reduce the fees charged for simple changes to the permit that require minimal staff time to review and process. The other proposed revisions set clearer parameters to define minor and major modification.
