Las Vegas, NV
1:00 pm – 3:00 pm

The NDEP is proposing to amend NAC 445B to make it consistent with NRS 445B.825. The proposed amendment will:

- Grant an application for a waiver from emissions standards for all light-duty gasoline powered motor vehicles with a model year 1996 or newer after a sufficient attempt has been made to correct deficiencies that have caused a failure of an emissions inspection.

A copy of materials relating to the proposals may be obtained at the workshops, or, by logging onto our website at: <http://ndep.nv.gov/baqp/index.htm> and clicking "What is New?" under the navigation box. The proposal can be found under "Revision to Inspection and Maintenance Program", or by contacting Becky Cripe at the Nevada Division of Environmental Protection, 901 S. Stewart St. Carson City, NV. Telephone: (775) 687-9344 or e-mail: rcripe@ndep.nv.gov. Members of the public who are disabled and require special accommodations or assistance at the meeting are requested to notify Becky Cripe no later than 3 business days before the workshop.

This notice has been posted at the Nevada Division of Environmental Protection offices in Carson City and Las Vegas, at the Department of Motor Vehicles offices in Las Vegas and Reno, at the Clark and Washoe County air agency offices and at County libraries in Las Vegas and Reno.
