Adrian,

I did one revision in the 3rd Paragraph. Good luck on the meeting and thanks for following this up for us.

Joe,

Here's a draft of the notice letter to Nate, in case you have any comments.

Everyone's available on the afternoon of 12/12/17. May not exactly get the two weeks' notice when we mail the letter out certified, but we'd be close.

Please let me know if that's ok.

Nikita is booking the rooms for us to videoconference at your offices.

Thanks, Adrian
