If ~~then~~ Med. Waste is allowed to come to this town 8/10 of a mile from my home - the first home I loved and never wanted to move from. I retired here. I will have to sell because of the risk it will pose to myself and animals I am responsible for.

Will clean the air to 100%. Our Aquifer is already endangered. Our roads cannot handle the trucks + traffic. We cannot be exposed to your toxic waste! Go elsewhere! Keep your toxic waste in CA! We don't want it here + all the environmental health + resource issues that come with it! We are ADAMATELY OPPOSED!

9nd 915.

We don't want a center like that, besides Pahump has enough problems.

Plus if they say it will provide jobs is a TOTAL CROCK of CRAP!!
