Good Morning Sheryl,

Subject: Appeal of Permit SW1900REV00, MediWaste Disposal LLC: Response on NAC 445B.891(1)

Good afternoon Sheryl,

I agree to waive the 20-day hearing requirement of NAC 445B.891(1) for this appeal only. My waiver is limited to that requirement. It does not waive any ground of appeal, any objection, or any other right under NAC 445B.875 to 445B.899 or NRS Chapter 233B.

So that the additional time serves the purpose of the hearing, I request that the Commission:

1. Issue a briefing order under NAC 445B.8925 and set a hearing date.
2. Schedule a prehearing conference under NAC 445B.8913 to address the record, admissions, and production of documents.
3. Consider, before the hearing, my request to stay the permit pending decision, or ask whether the Division and MediWaste will agree that no construction will begin under Permit SW1900REV00 until the Commission rules. The permit authorizes construction, and no condition restricts it before the Commission decides.

Please also confirm whether an appeal number has been assigned, and that notice of the hearing will be sent to me by certified mail under NAC 445B.891.

Respectfully,

Ruth Matthew

Good morning,

The SEC is in receipt of an appeal hearing request from Ruth Matthew regarding NDEP's issuance of Solid Waste Management Facility Permit SW1900REV00 to MediWaste Disposal LLC, effective August 26, 2026. Pursuant to NAC 445B.891, a hearing must be held within 20 days unless both parties waive this right.

In the interest of a more effective and efficient hearing process please indicate, by responding to this email, if you are willing to waive the 20-day hearing requirement.

Thank you,

Sheryl
