Ms. Fontaine called the workshop to order at 8:40 am. and provided notice that the workshop was being recorded. Ms. Fontaine noted the workshop and proposed regulation changes information had been emailed to the Office of Financial Assistance Contact List, posted virtually on the NDEP website and State Public Workshop website, and physically at the Bryan Building. A high-level overview of the proposed regulation changes was presented and there were two opportunities given for public comment.

**COMMENTS:**

**Nick Charles:** The 0.5% annual administration fee for the term of the loan is in addition to the loan origination fee.

The meeting was adjourned at 9:11 am.
