R156-17: This permanent regulation revises NAC 445A. The NDEP amended regulations governing the Drinking Water operator certification process pertaining to NAC 445A.6285.5, NAC 445A.629, NAC 445A.632, NAC 445A.633, 445A.639, 445A.640 and 445A.651. The amendments include increased exam fees, renewal fees and conversion and reciprocity fees. In addition, the amendments address the contact hours required for certification renewal, the time required to advance to the next operator grade level, the ability for an operator to advance two grades above the classification of the system at which they are working (based on experience), and provide general housekeeping and clarification associated with the existing regulations.
