Agenda

1. Introduction and brief explanation of revision process by NDEP staff.
2. Public comment (for discussion).
3. Presentation and discussion of proposed regulation P2019-06. NDEP staff will provide background on the purpose and need for the proposed revisions to the Nevada Administrative Code 444. The proposed amendments to Nevada's existing hazardous waste regulations will: 1) update and replace multiple CFR references that resulted from federal regulation changes over the past 10 years; 2) update the version of the CFR that Nevada will adopt by reference to the July 1, 2018 version; 3) add and replace definitions that help clarify the state regulations; and 4) remove the state provisions containing the process for applying for a variance from certain hazardous waste regulations.
4. Public Comment (for discussion).
5. Closing comments by NDEP staff.

The proposed regulations and related materials are available on the NDEP website at:
