

Notice of Workshop

The Nevada Division of Environmental Protection (Division) will hold an official regulation workshop on January 25, 2024, to solicit public comment and input on the Legislative Council Bureau (LCB) draft of proposed regulation R113-22, which establishes provisions for antidegradation protection of Nevada surface water resources. The draft proposed regulation R113-22 is available at:

<https://ndep.nv.gov/water/rivers-streams-lakes/water-quality-standards/current-and-past-actions/antideg>

The workshop will be held virtually from the Bryan Building at 901 South Stewart Street, Carson City, NV in the Bonnie Conference Room, located on the 1st Floor. This workshop will be organized for participation in-person or virtually using the link provided below. The Bonnie Conference Room has a limited capacity, but the Division will attempt to accommodate all persons who wish to participate in-person.
