R126-24: This permanent regulation revises NAC 459. The State Environmental Commission adopted permanent regulation R126-24P, which addresses Nevada's Fund for Brownfield Projects (Fund). This regulation: 1) defines new terms introduced by the proposed revisions; 2) identifies the goal of the Fund; 3) expands existing match funds to include in-kind services and provide relief from match for disadvantaged recipients; 4) increases the percentage of the Fund available for subgrant to eligible entities; and 5) expands eligible uses of the Fund, which is currently limited to cleanup, to include planning, community involvement, site assessment, and other tasks necessary for successful Brownfield property redevelopment.
