R145-24: This permanent regulation revises NAC chapter 519. The State Environmental Commission adopted permanent regulation R145-24P, which updates the payment schedule to be deposited in the Trust Fund for Short-Term Fluid Management. The updates will ensure that the balance of the Fund is sufficient to serve its purpose. Language is also proposed to clarify the permissible uses of the Fund (including investment), that other forms of revenue may be received by the Fund (as per NRS 519A.150(4)), and that the proposed payment schedule is suspended during any year during which the Fund balance reaches or exceeds the target of \$15,000,000.
