State Environmental Commission

Classification: Proposed [] Adopted By Agency [] Temporary [] Emergency [] Permanent [XX]

R146-24: This permanent regulation revises NAC chapter 445A. The State Environmental Commission adopted permanent regulation R146-24RP2, which addresses Nevada's water quality. R146-24RP2 proposes several changes to reflect current conditions of stream reaches, existing names of waters, and to assure the most current criteria documents are referenced with regard to water quality standards for salinity of the Colorado River System.
