**RE: R093-20 – Bureaus of Air Quality Planning/Air Pollution Control**

Dear Ms. Hartzler:

Enclosed for drafting by the LCB Legal Division is the above referenced regulatory petition related to the Nevada Division of Environmental Protection Bureaus of Air Quality Planning and Air Pollution Control. This was submitted in June 2020 under regulatory petition P2020-07. On January 7, 2021, LCB presented their draft of the proposed regulation. Since then, NDEP has been in contact with Erin Sturdivant and Heidi Chlarson to make additional revisions resulting in the final draft regulation enclosed. These revisions are summarized in the attached email.

Prior to LCB finalizing the legal drafting, NDEP has respectfully requested an opportunity to review the document to help facilitate an efficient process.

The State Environmental Commission (SEC) is planning to consider this regulatory petition at the meeting September 21, 2021. Additional information about this proposed regulation will be available at a future date on the SEC website at:

<https://sec.nv.gov/>.

If you have any questions about this regulatory petition, please contact Mr. Jeffrey Kinder at 687-9307.

Sincerely,

*Stephanie Simpson*
