RE: Notice of Alleged Air Quality Violation and Order No. 2895  
Class II Air Quality Operating Permit AP3273-3982 (FIN A0121)

Dear Mr. Jagers:

On January 6, 2022, the Nevada Division of Environmental Protection (NDEP) held an enforcement conference with Robertson's Ready Mix (RMM) to discuss supporting information regarding the draft Notice of Alleged Violation and Order (NOAV) No. 2895. As a result of that meeting, NDEP formally issued the above NOAV via certified mail on March 21, 2022. See attachment.

Upon formal issuance of the NOAV, NDEP notified RMM of its appeal rights pursuant to NRS 445B.340 and NRS 445B.360. RMM did not appeal the NOAV. Therefore, the State Environmental Commission (SEC) will determine the appropriate penalty for the violation contained in the above referenced NOAV on **Wednesday, September 20, 2022, at 9:00 a.m. at the Richard H. Bryan Building, Tahoe Conference Room (2<sup>nd</sup> Floor) located at 901 South Stewart Street, Carson City.**

Pursuant to NRS 445B.640(1) the SEC may approve an administrative penalty of not more than \$10,000 per day per violation. During the September 20, 2022, meeting, NDEP will provide the SEC with a brief overview of the NOAV and the recommendation for an administrative penalty of \$7,200.00 for NOAV 2895. This recommended penalty was calculated using a penalty matrix previously approved by the SEC.

Although your presence is not required at this meeting, you or a representative may wish to attend to speak on behalf of RMM.

The SEC may, without further notice, take administrative action against RMM if the SEC determines that such administrative action is warranted after it considers NOAV No. 2895.

If you have any questions regarding this notice, please contact me at (775) 687-9374.

Sincerely,

Sheryl Fontaine  
Executive Secretary
