Permanent Regulation R103-22: The NDEP is proposing to amend the CAPP fee schedule and other regulations under NAC 459. Fee increases will ensure CAPP can continue to perform its statutory requirements including permitting, annual inspections of facilities, and appropriate staffing and staff development. The fees were last increased almost 20 years ago. Without the fee increase, revenue will not balance with program expense projections.

The proposed amendments and related materials are available on the NDEP website at: <https://ndep.nv.gov/posts>. A copy of materials relating to the proposed regulations may also be obtained at the workshop or from Kelly Thomas at NDEP, 901 S. Stewart Street, Suite 4001, Carson City, NV 89701; (775) 687-9329; or e-mail kelly.thomas@ndep.nv.gov. Members of the public who are disabled and require special accommodations or assistance at the meeting are requested to notify Kelly Thomas no later than 3 working days before the workshop. If planning on joining in person, please note that you must wait for an escort before proceeding to the hearing room.

This notice has been posted on the official State website, the Nevada Legislature website and the NDEP website, at the NDEP offices in Carson City and Las Vegas, at the State Library in Carson City and at County libraries throughout Nevada.
