RE: Notice of Alleged Air Quality Violation and Order Nos. 3045 and 3046
Class II Air Quality Operating Permit AP3324-1253.03 (FIN A0528)

Dear Mr. Centanni:

On May 1, 2023, the Nevada Division of Environmental Protection (NDEP) held an enforcement conference with PCC Structural, Inc. (PCC) to discuss supporting information regarding the draft Notice of Alleged Violation and Order (NOAV) Nos. 3045 and 3046. As a result of that meeting, NDEP formally issued the above NOAVs via certified mail on July 12, 2023. See attachments.

Upon formal issuance of the NOAVs, NDEP notified PCC of its appeal rights pursuant to NRS 445B.340 and NRS 445B.360. PCC appealed NOAVs 3045 and 3046 on July 20, 2023, but withdrew their appeal on August 8, 2023. Therefore, the State Environmental Commission (SEC) will determine the appropriate penalty for the violation contained in the above referenced NOAVs on **Thursday, September 7, at 9:00 a.m. at the Richard H. Bryan Building, Tahoe Conference Room (2nd Floor) located at 901 South Stewart Street, Carson City. The meeting will also be video-conferenced to the Red Rock Conference room located at the NDEP offices 375 East Warm Springs Blvd., Las Vegas. It will also be held virtually. To join remotely, please use the link on the [SEC website](#) or telephone into the meeting at 1(877) 321-6111, ID 946 842 189#.**

Pursuant to NRS 445B.640(1) the SEC may approve an administrative penalty of not more than \$10,000 per day per violation. During the September 7, 2023 meeting, NDEP will provide the SEC with a brief overview of the NOAVs and the recommendation for an administrative penalty of \$4,000.00 for NOAV 3045 and \$14,400.00 for NOAV 3046, for a total of \$18,400. These recommended penalties were calculated using a penalty matrix previously approved by the SEC.

Although your presence is not required at this meeting, you or a representative may wish to attend to speak on behalf of PCC.

The SEC may, without further notice, take administrative action against PCC if the SEC determines that such administrative action is warranted after it considers NOAV Nos. 3045 and 3046.

If you have any questions regarding this notice, please contact me at (775) 687-9374.

Sincerely,

Sheryl Fontaine
Executive Secretary
