

**Notice of Public Workshop
Proposed Regulation Revisions
SEC File - P2025-01
Bureau of Safe Drinking Water
July 23rd, 2025 - 9:00AM to 12:00PM – Online Only**

The Nevada Division of Environmental Protection (NDEP), Bureau of Safe Drinking Water (BSDW), is proposing to “adopt by reference” federal regulation amendments in the following sections of Nevada Administrative Code (NAC): *NAC 445A.450 Definitions, NAC 445A.4525, Adoption by reference of certain provisions of federal regulations, NAC 445A.454 Primary standards: Monitoring and analysis, NAC 445A.4845 Consumer confidence reports, and NAC 445A.485 Notification requirements.*

The proposed regulation changes will provide Nevada with the ability to maintain primacy of the Safe Drinking Water Act regulations by adopting the **Lead and Copper Rule Revisions/Improvements (LCRR/LCRI)** and the **Consumer Confidence Report Rule (CCR)**. Primacy grants NDEP the authority to implement and enforce federal regulations in Nevada. The following Codes of Federal Regulations (CFR) are proposed to be adopted by reference into Nevada Administrative Code: *40 CFR § 141.80 to 141.93 (LCRR/LCRI Rules), and 40 CFR § 141.151 to 141.156 (CCR Rule).*

An online public workshop to present proposed regulation changes and to hear public comments regarding **SEC File - P2025-01** will be held **online at the following Microsoft Teams location:**

Wednesday July 23rd, 2025 - 9:00AM to 12:00PM

Interested parties may provide comments at the workshop, via email to **Alex Lanza** at alanza@ndep.nv.gov, or mailed to 901 S. Stewart St., Ste. 4001, Carson City, Nevada 89701. **Email & Written comments will be accepted until 5:00PM Tuesday July 29, 2025.**

Agenda for Public Online Workshop Proposed Regulation Revision P2025-01 Bureau of Safe Drinking Water

The purpose of the public workshop is to present to the public the proposed regulation revisions and receive comments on the proposal. No action on the proposed revisions will be taken by the Nevada Division of Environmental Protection (NDEP) during the workshop. This workshop is in preparation for action that will be taken by the State Environmental Commission (SEC) during a future regulatory meeting at a date to be determined. The following agenda items may be taken out of order and/or combined. Documents related to this workshop may be found at <http://ndep.nv.gov/posts>.

- Introduction
- Ways to participate
- Review of how regulations are created/revised and the role of the SEC
- Presentation on proposed revisions P2025-01
 - Lead and Copper Rule Revision/Improvement (LCRR/LCRI)
 - Consumer Confidence Report Rule (CCR)
- Public comments and questions on the proposed revisions
- Adjourn
