

**Public Workshops
Proposed Regulation P2015-04**

AGENDA

The purpose of the public workshops is to receive comments from all interested persons regarding the information listed on this agenda. No action will be taken by the Bureau of Mining Regulation and Reclamation (BMRR) at the public workshops on the proposed permanent regulation. The workshops are informational only and in preparation for action that will be taken by the State Environmental Commission at a regulatory meeting scheduled for October 7, 2015.

- 1) Call to Order and Introductions
- 2) Public Comment (Discussion)
- 3) Overview of Regulation Adoption Process and Timeline
- 4) Presentation and Discussion of Proposed Regulation P2015-04: The BMRR will provide background on the purpose and need for the proposed amendments to Nevada Administrative Code (NAC) 519A. The amendment will provide the Division of Environmental Protection (Division) with regulatory authority to require that actual mine impacted waters and associated environmental liabilities be addressed in mine reclamation plans and included in the project reclamation bond. The proposed amendment would also clarify that a cash deposit is an acceptable surety that can be filed with the Division for reclamation obligations.
- 5) Public Comment (For Discussion)
- 6) Adjournment
