No participants

Mr. Cooper called the workshop to order at 10:00 am. and provided notice that the workshop was being recorded. Mr. Cooper noted the workshop and proposed regulation changes information had been emailed to the Office Of Financial Assistance Constant Contact List, posted virtually on the NDEP website and State Public Workshop website, and in the following physical locations: NDEP Office in Carson City and in Las Vegas, The State Library Archives Building and the Nevada Legislature. A high level overview of the proposed regulation changes was presented and, there was two opportunities given for public comment. No public comment was received. The meeting was adjourned at 10:15 am.
