

Form #1

Petition to Adopt, Amend, or Repeal Commission Regulations

Approved 10-3-1995

NEVADA
STATE ENVIRONMENTAL
COMMISSION

1. Name, address, telephone number, and signature:

Name: Nevada Division of Environmental Protection

Address: 901 South Stewart Street, Suite 4001

E-mail Address: ddragoni@ndep.nv.gov

Telephone Number: (775) 687-9340

Date of Petition: TBD

Representative capacity and signature of petitioner, authorized individual, officer or attorney:

A handwritten signature in black ink, appearing to be "D. Dragoni".

2. Specific type of petitioner (individual, partnership, corporation, government agency, or other) and the exact occupation or business, including a description of the occupation or business if necessary:

The Nevada Division of Environmental Protection (NDEP) is a division of the Nevada Department of Conservation and Natural Resources of the State of Nevada. The NDEP is an environmental regulatory agency.

3. Exact and specific nature of changes sought, including delineation of the regulations, statutory provisions of Commission decisions involved. May include a statement of the written term or substance of the proposed regulatory action, or a description of the subjects and issues involved:

NDEP is proposing to amend Nevada Administrative Code (NAC) 445B by adding a new section that pertains to notifications made by the agency to the public about events where the ambient air quality standards may be exceeded and about health hazards associated with these events.

Nevada Revised Statutes (NRS) 445B.210 establishes the authority of the State Environmental Commission (SEC) to adopt regulations consistent with the intent and purpose of NRS 445B.100 to NRS 445B.640, inclusive, to prevent, abate and control air pollution.

4. A statement of the need for and purpose of the proposed regulations:

This regulation pertains to notifications made by the agency to the public about events where the ambient air quality standards may be exceeded and about health hazards associated with these events. It will provide information about how the public can mitigate their impacts on air quality and participate in regulatory efforts to improve air quality.

5. A statement of the:

(a) Estimated economic effect of the regulation on the business which it is to regulate:

Not applicable (see Small Business Impact Statement #2).

(1) Both adverse and beneficial effects:

Not applicable (see Small Business Impact Statement #2).

(2) Both immediate and long-term effects:

Not applicable (see Small Business Impact Statement #2).

(b) Estimated economic effect on the public:

Not applicable (see Small Business Impact Statement #2).

(1) Both adverse and beneficial effects:

Not applicable (see Small Business Impact Statement #2).

(2) Both immediate and long-term effects:

Not applicable (see Small Business Impact Statement #2).

(c) Estimated cost by the agency for enforcement of the proposed regulation:

The regulation does not impose functions on the agency that it does not already provide as a matter of policy, so no additional costs beyond what the agency would normally incur are expected.

6. A description of any regulations for other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency:

The regulation is required for NDEP's compliance with federal regulations and the Clean Air Act (CAA). The stringency of the requirements are consistent with the requirements of federal regulations and the CAA as well as being consistent with comparable regulations at the local level.

7. If the regulation includes provisions which are more stringent than a federal regulation which regulates the same activity, a summary of such provisions. The statement must include the specific citation of the federal statute or regulation requiring such adoption:

Not applicable, the proposed amendments do not include requirements that are more stringent than federal regulations.

8. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used:

Not applicable, the proposed regulatory action does not provide for any new fees or increases to existing fees.
