Classification: Proposed Adopted By Agency Temporary Emergency Permanent

R061-23: This permanent regulation revises NAC 445B. The State Environmental Commission adopted permanent regulation R061-23P, which addresses Nevada's Air program. This regulation adds a new section that pertains to notifications made by the agency to the public about events where the ambient air quality standards may be exceeded and about the potential health hazards associated with these events. These notifications will include information about how the public can mitigate their impact on air quality and participate in regulatory efforts to improve air quality.
